## Different types of Flowers

- **Roses:** Roses are one of the most popular and widely recognized flowers. They come in various colors, and each color has a different meaning. For example, red roses symbolize love and passion, while yellow roses represent friendship and joy. Roses are often given as a romantic gesture or used to express deep emotions.
- **Sunflowers:** Sunflowers are known for their vibrant yellow petals and large size. They symbolize positivity, happiness, and loyalty. Sunflowers are often associated with warmth and sunshine, and they can brighten up any space. They are also a popular choice for bouquets and floral arrangements.
